

# How to sign up?

*Every library in Oklahoma has access to the Digital Prairie Databases! All one has to do is sign up.*

## What you'll need

1. You'll need your **library's IP address** or range of IP addresses.
2. You'll want to have a **designated contact person**.

## Where to go

Signing up is convenient. *Simply register.*

EBSCO has comprehensive online collections of full text articles, and searchable databases.

## Gaining access

*After you've filled out the form, you should be contacted within a few days.* You'll receive a **username and password** that you can hand out to your students. This username will allow them to access the databases when not at school.
