Adult Program

A new monthly book club with a healthy twist!

Participants will be given a journal to list what books or audiobooks they have been reading and track their 30 minute activity sessions, such as walking, running, or bicycle riding. Monthly meetings will feature book discussions and, when weather permits, a group walk. A prize drawing will be held for those who turn in their reading and activity logs at each meeting. Prizes will be drawn for in May.

Advance registration is required.
